

THE ART OF SCIENCE

Sponsored by
US
 University of Sussex

Ropetackle Trust together with Sussex University present an extraordinary Festival programme - Art meets Science, to stimulate, educate and most of all entertain.

Leading scientists - "The 4 Professors" perform with musicians, dancers and landscape artists. Sculpture made from rubbish! Barriers of convention broken down - all with a good deal of help from local schools!

Plus much more - Mark Steel, The Animals, Richard Durrant, Peter James, Attila the Stockbroker's memorial to Adrian Mitchell, The Noise Next Door, Barnstormers,

To book and for full details:
